+hunt

+hunt

+hunt is the key to make the day

We live the days where we enjoy variety of styles
to suit our moods and occasions.
It can easily be used both on and off,
and it allows for freedom of expression.
Let's move forward.

The day is determined by +hunt

It's an era where you can enjoy diverse styles
to match your mood and occasion.

From ON to OFF,

it's easy to use and allows for free expression.

Let's move forward to what lies ahead.

Hair make : hairsalon de Forever
Photographer : SUMESHI

A gel that provides a good hold while adding shine to the style.

How to use

Spread an appropriate amount evenly in your palms and apply it throughout your hair to style.
You can use it on either wet or dry hair.

+hunt gel
300g

Hold: ●●●●○
Shine: ●●●●○

Create a textured, dynamic style with a wet look.

+hunt grease
100g

Hold: ●●●●○
Shine: ●●●●○

How to use

Take an appropriate amount in your hand, spread it well, and apply it throughout the hair that has been about 70-80% dried while shaping it with a hairdryer. If necessary, use your fingers or a comb to smooth out the hair flow.

+hunt wax
100g

Hold: ●●●●○
Shine: ●●●●○

How to use

Take an appropriate amount in your hand, spread it well, and work it into your hair by massaging it in.
Adjust the balance while creating definition and texture.

Achieve a textured look from short to medium-long styles.

While repairing hair, it keeps your style firmly in place.

+hunt hard spray
160g

Hold: ●●●●○
Shine: ●●●●○

How to use

Spray onto the areas you want to hold from a distance of about 10 to 15 cm.

※More black circles indicate greater strength.

This BB base cream serves as a multi-functional product, combining the functions of cream, makeup primer, sunscreen, foundation, and concealer.

SPF50 / PA+++
non-chemical UV protection

+hunt BB
30g

※The actual color may differ from what is shown due to printing.

How to use

Take an appropriate amount in your hand and spread it evenly over your entire face.
When removing, use a cleansing product and wash it off thoroughly.

An all-in-one wash that moisturizes from hair to body, keeping it healthy.

+hunt wash

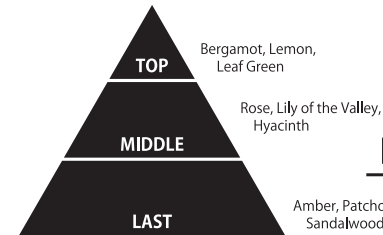

+hunt all wash
230g

How to use

Wet the area to be washed, take an appropriate amount, gently wash, and then rinse thoroughly.

Recommended amount for use

Hair : For short hair, use 1 to 2 ping-pong ball-sized amounts; for medium hair, use 2 to 3.
Face : Use an amount equivalent to 1 ping-pong ball.
Body : Use an amount equivalent to 1 tennis ball.

Has a clean
amber scent.

+for hair

Express various hairstyles while adding shine.

We prioritized manageability^{※1} and reproducibility during styling, focusing on balancing setting power, texture, and drying speed.

Reduce various damages to the hair and scalp.

Our product is easy to rinse out^{※2}, reduces friction damage to the scalp and hair during shampooing, and prevents frizz.
Prevents dryness and frizz caused by everyday hair damage^{※3}, and repairs the hair^{※4}.

+for face

BB cream that provides moisture to the skin while correcting to a natural glossy complexion.

Our BB base cream, containing moisturizing^{※1} and anti-inflammatory ingredients^{※2}, offers SPF50/PA+++ non-chemical UV protection^{※3}. It covers skin concerns like pores and fine lines^{※4} and maintains a radiant complexion^{※6} with its sebum-absorbing powder^{※5}.

+for body

A foam multi-cleansing wash that can be used for both hair and body.

The weakly acidic carbonated foam^{※3}, infused with cleansing ingredients^{※1} and plant extracts^{※2}, washes away sweat and sebum dirt from the scalp and body while preserving the necessary moisture for the skin.
The amber scent gently envelops odors such as middle-aged body odor and aging smell.
